A new Vipassana long-course Centre

A rare opportunity has arisen to purchase a property, right next to Dhamma Rasmi in Australia, for a new long-course centre. Already named Dhamma Rasa (Nectar of Dhamma), this new centre will be the first dedicated long-course centre in the southern hemisphere and the second in the West, serving the Asia-Pacific region and the world.

A Trust has been formed and a contract to purchase the land for A$2.2 million (US$1.45 million) has been signed; now help is needed to make Dhamma Rasa a reality.

Donations and loans will help secure this rare opportunity and purchase this property. To make a donation using bank transfer, please use these bank account details:
